Patrician Society

Letter from the Executive Director:

Dear Friends,

A neighbor knocked on Saint Patrick rectory door in need of food. Father McCaffrey went to his kitchen cupboards and offered a few items. And then it happened again. Another neighbor knocked, embarrassed and desperate. And then another.

Soon it became clear that something more was needed: a place where neighbors in need could go to receive groceries to help them through hard times. And so was born the Patrician Society of Central Norristown—a name McCaffrey selected to show the connection to its origins at Saint Patrick Parish. Still, he also envisioned a stand-on-its-own Community Outreach that would be independent from the parish and beyond the whims of any future pastor. Over the years, the Patrician Society grew. It became well known as ***the*** *place to go for help, a neighborhood safe space where every person could leave behind embarrassment while experiencing respect and care as they received food for themselves and their families.*

Throughout the years, various services were offered as the needs presented themselves: a men's shelter, a meal ticket program coordinated with Clinton's on Cherry Street, an After School Care program (the first of its kind in Norristown!), a Summer Camp Program for kids. These lasted as long as needed and were let go when another agency would fill the need. Most recently the Patrician Society began its H.U.M.A.N. program (Helping with Utilities and Miscellaneous Aid for Neighbors). This offers assistance with utility bills, oil, Septa Key cards for those needing transportation to work, Photo IDs and more. At least $7,500 a month is distributed to help with verifiable needs.

All of this work has been happening now for 44 years. And it keeps happening because of our generous donors. We are so grateful for all of your kindness and generosity. Your food donations and financial contributions make it possible for us at Patrician Society—our staff of 5 and family of over 60 dedicated volunteers—to keep doing what Fr. McCaffrey started nearly 45 years ago: We keep answering the door when neighbors knock and we keep responding with food from our cupboard and compassion from our hearts.

Thank you for being a part of our history and for the assurance that we'll be able to answer the knock at the door for many years to come.
